SERVICE CHARGES AND FEES:

MINIMUM BALANCE CHARGE: At the end of any calendar month in which you do not maintain an average daily balance of at least \$500.00, in one or a combination of your MCU deposit accounts (under the same root account number), your Regular Share Account will be assessed a Minimum Balance Charge of \$9.00. The average daily balance is calculated by adding the balances in your MCU deposit accounts (under the same root account number) at the end of each day of the month, and dividing that figure by the number of days in the month. This fee will be initially and principally assessed against your Regular Share Account. However, if there are inadequate funds in your Regular Share Account, the fee may be offset and collected against available balances in your MCU deposit accounts in the following order: FasTrack Checking Account, Holiday Club Account, Vacation Club Account and Money Market Account. Deposits and withdrawals shall be deemed to be made when recorded on the books of the Credit Union which is not necessarily the date you initiated the transaction.

This *Minimum Balance Charge* will be waived for the following reasons:

- If you have a secured loan or an outstanding balance on a secured VISA Card and/or Home Equity Line of Credit with the Credit Union and maintain a minimum average daily balance of \$5.00 in combined balances.
- If you have an unsecured loan (excluding Overdraft Line of Credit and Step Line of Credit accounts) or an outstanding balance on an unsecured VISA Card Line of Credit with the Credit Union and maintain a minimum average daily balance of \$250.00 in combined balances.

- If your Regular Share Account has been open less than one full year.
- If you opened your Regular Share Account under the Young Executive program and the primary account holder is under the age of 25.
